Good morning Carol,

I hope you had a great weekend!

Here is the information for new clinics under HTW:

A Medicaid provider who has certified through the TMHP portal for the purpose of delivering HTW services can bill for FFS in the program.

However, in order for a provider to seek reimbursement through the categorical funds that you have been awarded, they must be listed in your contract. We can process an amendment to the contract to include a new provider but that provider is ineligible for reimbursement for categorical awards until the date at which an amendment is executed to include them in your network of authorized HTW providers.

I know you have also spoken to Viveca about amending your contract, so we will be in touch soon on the next steps. Feel free to contact me if you have any questions.

Thanks,

Sonya –

We will get these forms to you.

I am going to train in the Rio Grande Valley Monday. Can the Rio Grande Clinks serve patients under HTW now?

Thanks for your help!

Okay if this is the case, we would need the Form K and Form K-1 filled out for every clinic you are requesting to add to HTW. Feel free to contact me if you have any questions.

Thank you and have a great weekend!

Thank you for your response Carol.

Are the clinics listed below only providing HTW fee-for-service or are you requesting that they be added to the contract?

Sonya –

Toni is having email issues this morning so I will address.

All THG clinics will provide both HTW and FP with the EXCEPTION of Life Choices and Tenison Women's Center Dallas. Tenison Women's Center Dallas applied directly To HHSC to provide FP services. Not a part of THG FP.

Thanks –

Carol

Good afternoon Toni,

I'm sorry I misread your spreadsheet. I was looking at the columns on the right of the spreadsheet that stated both HTW and FPP, but next to the six clinic's names that I sent you, you wrote FPP only. For those six clinics, are they providing both FPP and HTW services? Or just FPP?

Thanks,

Good Afternoon!

Just making sure I am understanding what you are needing. You need these forms completed for these clinics and it is for the Healthy Texas Women program. I checked and in the Family Planning Program you should have all of the Form K's which are found in Revision #2. Plus, we were only asked for the list of clinics and

their NPI numbers for Revision #3 for the Family Planning Program. We were told you did not need form K after all.

Please verify that I am correct (or not).

Thank you,  
Toni

Hi Sonya!

I have the updated list for the clinics that we are working with. I have indicated if they are HTW or FPP clinics. Most of them are both. We are still waiting on application approval for the Rio Grande Clinics but I included them.

Please see the attached and let me know if you have any questions. We have a couple of clinics that have been removed but we notified that they were not in our group any more. They were not in the set of papers that you sent to me to verify clinics.

Please let me know if you need anything further. Have a great evening!

Thank you,

Toni
